Gender Specialists – Worldwide

Management Sciences for Development, Inc. (MSD) seeks **Gender Specialists** for anticipated rule of law programs in Latin America, the Middle East, Africa, and Asia. Gender Specialists are sought for long-term and short-term positions to ensure the participation of women and the incorporation of gender concerns in development assistance programs.

MSD is a woman-owned for-profit corporation with more than twenty years experience implementing rule of law and human rights programs in Latin America, the Middle East, Africa, and Asia. MSD works to improve the capacity of justice sector institutions to protect the rights of women, workers, youth, ethnic minorities, the displaced and the disabled.

Responsibilities include:

- Identify entry points for women to join policy discussions
- Assist in developing advocacy agendas
- Assist in building local coalitions that are linked to national and international organizations
- Establish and maintain relationships between the client, counterparts and civil society
- Assist in strengthening capacity of gender organizations for self-governance and financial accountability
- Assist in designing and overseeing relevant research
- Guide monitoring and evaluation

Qualifications:

- Graduate degree in Social Sciences, Social Work, Public Health or relevant field.
- At minimum 5 – 7 years relevant experience applying knowledge, skills, and abilities to integrate gender in development assistance programs to support development, promote stability, and reduce conflict.

Application Instructions:

Please submit CV and cover letter to recruitment@msdglobal.com, with “Gender Specialist” in the subject line.
